The Indemnitee will not make any admission of liability or take any other action that limits the ability of the Indemnitor to defend the Claim. The Indemnitor shall immediately assume the full control of the defense or settlement of such Claim or allegation, including the selection and employment of counsel, and shall pay all authorized and documented costs and expenses of such defense.

f. Exclusive Remedies. THE INDEMNITY AND OTHER REMEDIES SET FORTH IN THIS SECTION 6 SHALL BE THE EXCLUSIVE REMEDIES OF THE PARTIES WITH RESPECT TO ANY CLAIM FOR WHICH A PARTY HAS AN OBLIGATION OR INDEMNITY PURSUANT TO THIS SECTION 6.

## 7. Limitation of Liability.

a. IN NO EVENT SHALL LICENSOR OR LICENSOR RELATED PARTIES BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, CONSEQUENTIAL OR PUNITIVE DAMAGES, OR ANY DAMAGES FOR, OR COSTS INCURRED AS A RESULT OF, LOSS OF TIME, LOSS OR INACCURACY OF DATA, LOSS OF PROFITS OR REVENUE, LOSS OF GOOD WILL, BUSINESS INTERRUPTION, OR COST OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, HOWEVER ARISING, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

This Exhibit A sets forth the additional terms and conditions under which Licensor will provide Professional Services in connection with the solution(s) provided pursuant to the Agreement.

#### 1. Performance of Professional Services.

a. Statements of Work. Each Professional Services project Licensor undertakes on behalf of Customer shall be described in a Statement of Work or Order Form setting forth the agreed upon scope of the Professional Services, Service Deliverables, estimated hours/work effort, billing rates and other pricing information, project schedule (if applicable) and estimated delivery dates. Both Parties shall execute each Statement of Work, all of which shall be deemed incorporated into the Agreement. If there is a conflict between the terms set forth in the Agreement and a Statement of Work, the terms set forth in the applicable Statement of Work will control.

#### b. Tasks and Service Deliverables.

i. Licensor shall perform the Professional Services and provide the Service Deliverables described in the applicable Statement of Work and any Change Order Forms (as defined below) issued pursuant to the applicable SOW. Licensor and the Customer agree to work together in good faith to mitigate any delay in completion or delivery or in the provision of the Professional Services.

ii. Licensor shall perform the Professional Services with reasonable skill and care.

iii. Licensor shall use reasonable endeavors to meet dates specified in a SOW for the delivery of Professional Services and Service Deliverables. Licensor shall use commercially reasonable efforts to schedule resources upon request from the Customer's representative or their designee.

iv. It is understood and agreed that Licensor's Professional Services may include the provision of advice and recommendations, but adoption of any recommendations are the responsibility of the Customer. Licensor shall be responsible for project management of Licensor's resources and commitments however Customer shall be responsible for overall management of the project.

v. Time and schedule estimates are based on Licensor's experience with other similar change or services requests in the past, and the information available at the time of preparing the estimate. Licensor shall use reasonable endeavors to adhere to any estimate provided, however actual effort may vary and Licensor shall keep Customer notified of effort incurred and planned and progress throughout.

vi. Licensor agrees to advise Customer in writing at the earliest possible time when postponing or canceling scheduled activity. In such instances, no liability shall arise, Customer will pay all fees and expenses associated with Professional Services and Service Deliverables provided, and Licensor and Customer shall collaborate with reasonable commercial diligence to resume or reschedule the cancelled activity.

#### c. Customer Obligation.

i. The Customer shall deploy appropriately skilled and qualified personnel in the performance of its obligations under all SOWs, and shall provide information, decisions and approvals in a timely manner to facilitate the agreed delivery schedule.

ii. The Customer shall make available to Licensor access to all environments as required under a SOW, or as otherwise agreed between the parties.

iii. Licensor and the Customer will work together in good faith to mitigate any delay in completion or delivery or in the provision of the Professional Services resulting, in the reasonable opinion of Licensor, from Customers failure to perform its obligations as described in the applicable SOW.

#### d. Place of Performance, Expenses and Travel Time.

i. If Licensor's personnel, agents or representatives are required to travel to a location other than one of Licensor's facilities, Customer will pay or reimburse Licensor in accordance with the payment terms set forth in the Statement of Work (or Licensor's standard terms if none are specified in the Statement of Work) for all reasonable and actual travel expenses including airfare, ground transportation, lodging and meals for personnel required to travel. Licensor will adhere to its corporate travel policies and provide a copy, if requested by Customer, unless otherwise agreed in writing prior to undertaking a project. Professional Services to be provided on-site at Customer's facilities will be scheduled in advance by written agreement of both parties. Both parties will use reasonable efforts to accommodate any requested

change in the scheduled dates for on-site services, subject to the availability of appropriate personnel. At Customer's request, Licensor will provide receipts or other reasonably satisfactory evidence of such expenses.

ii. If Licensor charges Travel Time the rate and conditions shall be agreed by Licensor and Customer in advance and set out in the applicable Statement of Work. Travel time is defined as follows: (i) consultant's roundtrip travel time from consultant's location to the Customer site; and (ii) consultant's travel time between Customer's sites and/or any other Customer designated locations.

**2. Payment Terms.** Unless otherwise stated in the Statement of Work, Licensor will invoice Customer for the fees on a time and materials basis at the billing rates set forth in the Statements of Work for work performed. Invoices will include a summary of all time expended by Licensor for the work performed. Customer shall pay Licensor the fees within thirty (30) days from the date of invoice.

**3. Acceptance.** Where Service Deliverables are provided as a result of Customization Services then unless otherwise specified in the SOW, the following shall apply:

a. Following receipt of each Service Deliverable, Customer will have thirty (30) days to perform acceptance testing of that particular Service Deliverable.

b. If the particular Service Deliverable does not embody the mutually agreed characteristics set forth in the applicable SOW, Customer may reject such Service Deliverable by giving Licensor written notice rejecting the particular Service Deliverable, and the reasons therefore, within the thirty (30) day testing period. If Customer does not give Licensor written notice rejecting the particular Service Deliverable within the thirty (30) day testing period, such Service Deliverable shall conclusively be deemed accepted.

c. If Customer gives Licensor written notice rejecting the particular Service Deliverable within the thirty (30) day testing period, then within thirty (30) days after receipt of Customer's notice Licensor will make any reasonable corrections or changes and resubmit the Service Deliverable to Customer for further acceptance testing.

d. Upon Customer's receipt of the revised Service Deliverable, the procedure outlined in subparagraphs 3.a., 3.b. and 3.c., above will be repeated until the Service Deliverable is accepted. The table below defines the severity levels which shall be allocated to any issues raised relating to the Service Deliverable. The severity of the issue will be reviewed and finally determined by Licensor and in some cases the Customer may be asked to provide a brief description of the impact and rationale for 'urgent' and 'critical' severity levels. The severity level may change during the life of an issue. For instance, severity may be reduced with a viable workaround or the inability to recreate the problem. Severity may also be upgraded based on increased frequency of the issue or project deadlines. An acceptance shall occur if there are no open items with a severity level of 'critical' or 'urgent.'

i. Severity Definition

1. Critical: The entire system or functional component is inoperable and cannot be used until the error is resolved.

2. Urgent: A serious error in a business critical function where no viable workaround is available.

3. Standard: An error that does not stop the user progressing or a viable workaround is possible.

4. Low: Errors that cause no loss of functionality, or which may be considered cosmetic or annoying in nature.

5. Enhancement: Feature is operating to the agreed specification/requirement however its method of operation may be altered in order to deliver more business benefits.

e. Customer will cooperate with Licensor to isolate, identify and resolve any problems in the Service Deliverables.

f. Customer understands and agrees that Licensor makes no representations or warranties that the Service Deliverables provided as a result of Customization Services will be compatible with all future releases of the Software. Customer may be required to purchase additional Professional Services hours at an agreed to price to resolve any compatibility issues.

**4. Change Procedure.** Project costs and durations set forth in a Statement of Work are based on the scope, requirements and assumptions as defined in such Statement of Work. Variance in the scope, requirements or assumptions will have an impact on the project's time and cost. Licensor utilizes a formal change control procedure to respond to and manage the changes that may occur throughout the duration of a project. The purpose of this procedure is not to inhibit or prevent change, but rather to facilitate change in an orderly manner. Licensor's change control procedure is summarized below:

a. Either Customer or Licensor may initiate a change order.

b. Customer will work with Licensor to document all requested changes in Licensor's standard change request form ("**Change Order Form**"). This documentation will include a description of the change, reason for the change, areas affected, estimated hours, costs and completion date. Licensor will then submit each Change Order Form to Customer for review and approval before any work is started on the change. Licensor will, likewise, review and approve the changes before any work is started.

c. In the event that the Parties disagree about the proposed changes, each Party shall, within forty-eight (48) hours from the report of the issue, identify a Senior Management Officer who has decision making authority for each of the respective Parties. The Senior Management Officers will discuss and arrive at a mutually acceptable decision. The results of the meeting will be documented and filed with the project library and any milestone dates and costs will be adjusted accordingly.

### SOFTWARE LICENSE TERMS

#### 1. Software Licenses

a. License Grant. Licensor hereby grants to Customer, subject to the terms and conditions of the Agreement and for the period of time set forth in the applicable Order Form, a personal, limited, non-exclusive, non-transferable, non-assignable license, without right of sublicense, to: (i) install the Software and Service Deliverables on a certain number of servers owned or leased by Customer and maintained for access solely by the Customer; and (ii) permit the Software to be accessed or used according to the License Configuration, solely for Customer's internal business purposes (the "**License**"). To the extent set out in the Order Form if applicable, the Software is licensed for use only in connection with the computer specified in the Order Form at the location specified in the Order Form. The location of the computer may be changed by the Customer subject to agreement between the parties in writing. Temporary use of the Software on another computer is permitted in the event the computer with which the Software is licensed becomes defective. This temporary use shall be notified in writing to Licensor by the Customer within one working day of the implementation of such change by the Customer and shall be limited to the time reasonably required to repair the defective computer. Customer may make one copy of the Software solely for archival and back up purposes, provided executable copies of the Software may be used for development and testing purposes only. Unless otherwise set forth on the applicable Order Form, the License is granted solely to the Customer and not to any of its Affiliates. In the event Customer's account becomes more than thirty (30) days past due, Licensor may suspend, upon prior written notice, (x) the License; and (y) Maintenance Services.

b. Users. Customer shall ensure all Users, including any third-party service providers, shall abide by these Terms and Conditions and

Customer shall be responsible for any violation thereof.

c. Restrictions on Use. Customer may not: (i) use, copy, modify, translate, merge or create derivative works of the Software, Service Deliverables or Documentation except as expressly provided in the Agreement; (ii) disable or circumvent any licensing control feature in the Software or Service Deliverables; (iii) reverse-engineer, disassemble, or decompile the Software or Service Deliverables, or otherwise attempt to access or determine its underlying source code, underlying ideas, underlying user interface techniques or algorithms, or permit any such actions; (iv) sell, distribute, lend, sublicense, rent or lease all or any portion of the Software or Service Deliverables; (v) use the Software or Service Deliverables on a service bureau or time-share basis or as an application service provider; (vi) host, virtualize or otherwise provide access to or enable use of the Software or Service Deliverables by any individual(s) not permitted to use the Software pursuant to the Agreement; (vii) disclose the results of any benchmarking of the Software or Service Deliverables (whether or not obtained with Licensor's assistance) to third parties; (viii) use the Software or Service Deliverables to develop or enhance any product that competes, directly or indirectly, in Licensor's determination, with the Software or Service Deliverables; (ix) remove the copyright, trademark, or any other proprietary rights or notices included within the Software or Service Deliverables or on and in the Documentation; (x) use the Software in any way that would infringe any Intellectual Property Right of third parties; or (xi) use the Software or Service Deliverables in a manner that would violate any law applicable to Customer or Licensor.

#### 2. Maintenance and Other Services.

a. During the Maintenance Term, Licensor will provide Customer with Maintenance Services for the Software. If Customer licenses additional software products during the Term, the Customer hereby agrees to renew the Term for any such additional software products. Upon expiration of the Maintenance Term, the corresponding Maintenance Services shall automatically renew for successive one-year periods, unless either Party provides the other Party with at least ninety (90) days' advance written notice prior to the expiration of the then current Maintenance Term that such party desires not to renew. Licensor shall invoice Customer on an annual basis in advance for each annual renewal period. Fees for all annual renewal periods will be due within thirty (30) days of receipt of the corresponding invoice or the day prior to the contract renewal date, whichever is sooner, and all such payments are non-refundable. Customer may not reduce the number of licenses covered by Maintenance Services. In exceptional cases, Apteon may agree to decommission licenses subject to Customer paying a reduction fee.

b. Customer agrees that Maintenance Services shall be provided only by Licensor, its Affiliates or Third Party Servicers.

c. Licensor's obligation to provide Maintenance Services for Third Party Software is limited to using commercially reasonable efforts to obtain Maintenance Releases from its third party suppliers. In the event Customer cancels Maintenance Services at any time prior to the end of the Maintenance Term, Customer agrees to immediately pay the outstanding maintenance fees that Licensor would have received for the entire Maintenance Term. The Parties agree that this payment is to be considered liquidated damages, and not a penalty, and the Parties agree that this amount is a fair and reasonable estimation of Licensor's damages in the event Customer breaches Customer's commitment to the Maintenance Term. Customer agrees that Maintenance Services shall be provided only by Licensor, its Affiliates or approved third-party servicers, whose contracts include (i) confidentiality terms that are substantially similar to the ones contained herein (ii) language that indicates the Software and Deliverables are owned by Licensor; and (iii) a requirement that the third-party servicer use the Software and Service Deliverables only for providing services to the Customer in accordance with the license granted herein.

Licensor will configure the Subscription Services and any Service Deliverables used in conjunction with the Subscription Services, as applicable. Licensor will begin such configuration following a Statement of Work or Order Form executed by the Parties. Except as stated herein, Customer may not customize the Subscription Services without Licensor's prior written consent. Licensor shall provide installation of any Maintenance Releases at its sole discretion, as part of the Subscription Services, at no extra charge to Customer.

b. Each User may be required to have a Login with unique user identification. Licensor reserves the right to require Customer to alter any password if Licensor believes it is no longer secure. Customer shall not permit more than one User to use each Login to access the Subscription Services or otherwise share Login accounts, User identifications or passwords. Customer is liable for all access to the Subscription Services and activities conducted by individuals accessing the Subscription Services using the Logins, including such individual's compliance with the terms herein.

c. Licensor will maintain the Subscription Services at a reputable third party Internet service provider and hosting facility, where it is subject to commercially reasonable security precautions to prevent unauthorized access to the Subscription Services. Customer Data and the maintenance of Customer Data and such procedures shall comply with industry standards for the type of information maintained. However, Customer acknowledges that, notwithstanding such security precautions, use of or connection to the Internet provides the opportunity for unauthorized third parties to circumvent such precautions and illegally gain access to the Subscription Services, and Licensor will not be responsible for such acts, provided such acts do not arise as a direct result of Licensor's failure to provide appropriate technical and organizational security measures as required by section 1.6(c) of Exhibit D.

**2. Restrictions.** Customer shall use the Subscription Services solely for Customer's internal business purposes, in compliance with applicable law, and shall not: (i) make the Subscription Services or Software available to any unauthorized third party; (ii) send or store infringing, unlawful, defamatory or libelous material; (iii) send or store any Malicious Code; (iv) access the Subscription Services by any means other than the Login or otherwise attempt to gain unauthorized access to, or disrupt the integrity or performance of, the Subscription Services or the data contained therein; (v) modify, copy or create derivative works based on the Subscription Services; (vi) reverse engineer the Subscription Services or Software; (vii) access the Subscription Services or Software for the purpose of building, selling, marketing or otherwise, a competitive product or service or copying the Software or Subscription Services' features or user interface; or (viii) remove the copyright, trademark, or any other proprietary rights or notices included within the Subscription Services or Software and on and in any Documentation. Customer shall not make any attempt to overwhelm the server resources of the Subscription Services or otherwise induce a denial-of-service attack on the Subscription Services through some combination of search requests. If Customer engages in activity that is not a legitimate use of the Subscription Services, such as security penetration tests, stress tests, spamming activity, or other activity for which the Subscription Services is not intended, such use will be considered a material breach of the Agreement and Licensor may shut down Customer's access to the Subscription Services until such activity ceases, with such interruption not being counted against the above Service Availability.

#### 3. Customer Responsibilities.

a. Customer agrees to abide by all applicable local, state, national and foreign laws, treaties and regulations in connection with Customer's use of the Subscription Services, including those related to data privacy, international communications and the transmission of technical or personal data. Customer shall: (i) notify Licensor immediately of any unauthorized use of any Login or any other known or suspected breach of security; (ii) report to Licensor immediately and use reasonable efforts to stop immediately any copying or distribution of content that is known or suspected by Customer to be infringing or unlawful; and (iii) not impersonate another Licensor customer or provide false identity information to gain access to or use the Subscription Services.

b. Customer shall be responsible for any costs in connection with establishment and maintenance of Internet connectivity to the

Subscription Services, including, without limitation, telephone communications, internet service provider costs, computer hardware, fees charged by third parties, insurance, internet access software, or any other costs incurred by Customer in accessing the Subscription Services.

#### **4. Service Availability**

Licensor shall make reasonable efforts to provide production environment service availability of 99% measured on a quarterly basis (“**Service Availability**”) not including (i) Customer Error Incidents, (ii) Force Majeure and (iii) Internet Disruptions. In order to enable Licensor to troubleshoot problems as necessary, Licensor uses an administrator account on each Customer environment and may utilize manual testing to confirm such failure. An interruption in the Subscription Services shall not be considered a breach of Licensor’s obligations hereunder if: (i) Licensor promptly takes all reasonable steps to restore the Subscription Services; or (ii) the interruption in Subscription Services results from a Customer Error Incident, a Force Majeure, regularly scheduled or emergency maintenance, or due to an Internet Disruption.

#### **5. Customer Data.**

a. Licensor does not own any Customer Data. Customer, not Licensor, shall have sole responsibility for the accuracy, quality, integrity, legality, reliability, appropriateness, and intellectual property ownership or right to use all Customer Data, and Licensor shall not be responsible or liable for: (i) damages resulting from Licensor’s reliance on such Customer Data and/or (ii) the deletion, correction, destruction, damage, or loss of any Customer Data that result from Customer’s actions. Licensor is not responsible for restoring lost Customer Data or damage to Customer’s data that results from Customer’s actions. Customer hereby grants to Licensor a non-exclusive, fully-paid and royalty-free license to reproduce, distribute, perform, display and otherwise use the Customer Data solely to provide the Subscription Services to Customer. Customer represents and warrants that: (i) Customer owns or otherwise has the right to grant the license set forth in this Section 5(a) for the Customer Data, and (ii) the Customer Data does not violate the privacy rights, publicity rights, copyright rights, or other rights of any person or entity. Licensor has the right (but not the obligation) to review any Customer Data and delete any Customer Data that in the sole judgment of Licensor violates the Agreement, is prohibited content, is illegal, violates the rights, harms, or threatens the safety of any User or any other person, or creates liability for Licensor, its suppliers, or any user. Licensor reserves the right (but has no obligation) to investigate and take action in its sole discretion against Customer if Customer violates this provision or any other provision of the Agreement, including without limitation, removing Customer Data from the Subscription Services, terminating the Agreement, reporting Customer to law enforcement authorities, and taking legal action against Customer.

b. Licensor will maintain the Customer Data on server(s) at Licensor’s designated site and provide backups to Customer’s Data in accordance with Licensor’s then-current data backup policies. Licensor will use commercially reasonable efforts to perform restorations to the Subscription Services in the event of a service failure. Licensor reserves the right to withhold Customer Data without notice for any breach, including, without limitation, Customer’s non-payment.

#### **6. Payment.**

a. In addition to any other rights granted to Licensor herein, Licensor reserves the right to suspend Customer’s access to the Subscription Services, upon prior written notice, if Customer’s account becomes more than thirty (30) days past due. Customer agrees to pay a finance charge equal to the lesser of one and a half percent (1.5%) per month or the maximum rate permitted by law on all past due amounts. Customer shall reimburse Licensor for any of Licensor’s reasonable costs of collecting past due amounts. Customer will continue to be charged for committed Users during any period of suspension. If Customer or Licensor initiates termination of the Agreement, Customer will be obligated to pay the balance due on Customer’s account computed in accordance with the terms set forth herein.

b. Upon execution of this Agreement, Licensor shall invoice Customer, for the first twelve (12) month period of the term set forth in the Order Form, and then yearly, in advance, for each subsequent twelve (12) month period, unless a different billing frequency is explicitly stated in the applicable Order Form. Customer shall pay for all amounts due and owing for the Subscription Services, including committed fees for Subscription Services for the Subscription Term or any other fee or charge associated with Customer’s use of the Subscription Services. Customer may only reduce the number of Users

or other license types set forth in the Order Form at the end of each term for Subscription Services.

c. Licensor reserves the right to impose a service reinstatement fee in the event Customer is suspended and thereafter request access to the Subscription Services.

d. Licensor shall have the right, but not the obligation, to verify the number of Users under the Agreement at the end of each month.

(ii) the Customer may use a third Party to perform the audit on its behalf, provided such third Party executes a confidentiality agreement acceptable to Licensor ("NDA") before the audit;

(iii) audits must be conducted during regular business hours, subject to Licensor's policies, and may not unreasonably interfere with Licensor's business activities. Due to the multi-tenant nature of some of Licensor's business systems, Licensor may limit the scope of audit activities and relevant reporting to ensure customer confidentiality;

(iv) the Customer must provide Licensor with any audit reports generated in connection with any audit at no charge unless prohibited by applicable law. Sub-Processors for the purpose of this Agreement do not include companies providing ancillary services such as back-ups, telecommunication services, postal/transport services, maintenance and user support services, nor measures to ensure the confidentiality, availability, integrity, and resilience of the hardware and software of processing equipment.

1.10 If Licensor engages a new Sub-Processor ("**New Sub-Processor**"), Licensor shall inform the Customer of the engagement and the Customer may object to the engagement of such New Sub-Processor by notifying Licensor within 10 Business Days of such notification, provided that such objection must be on reasonable, substantial grounds, directly related to such New Sub-Processor's ability to comply with substantially similar obligations to those set out in this Exhibit D, and must include sufficient detail as Licensor may reasonably request to enable Licensor to consider properly the objection. If the Customer does not so object, the engagement of the New Sub-Processor shall be deemed accepted by the Customer.

1.11 Licensor shall ensure that its contract with each New Sub-Processor shall impose obligations on the New Sub-Processor that are materially equivalent to the obligations to which Licensor is subject to under this Exhibit D.

1.12 Any sub-contracting or transfer of Personal Data pursuant to this Exhibit D shall not relieve Licensor of any of its liabilities, responsibilities and obligations to the Customer under the Agreement and Licensor shall remain liable for the acts and omissions of its Sub-Processor.

1.13 Where Personal Data is processed by Licensor under or in connection with this Agreement on behalf of the Customer, the Customer agrees that Licensor may disclose the Personal Data to such Licensor Personnel and Sub-Processors as Licensor reasonably considers necessary for the performance of its obligations under the Agreement, for compliance with applicable law and is required to defend any actual or possible legal claims. Licensor shall take reasonable steps to ensure the reliability of any Licensor Personnel or Sub- Processor who has access to the Personal Data and ensure that such persons are aware of Licensor's obligations under this Agreement.
